PRESIDENTS REPORT

Written by President Jim Manifis

There has been so much activity in our association since the last Megisti Messenger, which indicates how strong our association is. The commitment of the committee for 2010/2011 has been one of endeavour and hard work. This leads onto reminding all our members of the AGM, which will be held on Wednesday the 26th of October, 2011, 7pm sharp at the Castellorizian House. With the centenary celebrations approaching us in 2012, we need the support of all our members to attend the AGM, as there will be a number of issues that will be raised, and for the election of the new committee for this most prestigious year.

In May this year, a number of Castellorizian's travelled to Cazzie to launch the centenary year. In total, there were approximately 25 on the island from Perth, and Australia, and the word was spread amongst the locals for our centenary. There will be a further article on our trip in this Megisti Messenger, which will highlight our trip.

Our investment property in Kalgoorlie Street has been fully renovated, and I would like to thank the efforts of all the committee members for their endeavour. I'd like to make special mention of Tony Samiotis, who took on the role as property manager for the renovations. He has done a tremendous job, and contributed a number of tireless hours. Michael Paul also contributed a number of hours in assisting Tony in the renovations, in co-ordinating a number of the contractors with numerous phone calls. Lastly I would like to thank Tony Elder for his contribution in painting the interior of the house, free of charge. The quote we received for the painting was well over \$5000. Once again I would like to thank these people for all their contribution and support with the renovations.

As a number of our lady members are aware, the Castellorizian Cooking Classes have commenced. At this stage we have had two classes on a Saturday afternoon which have been well patronised by our members. I would like to thank my sister, Helen Anastasas and Phyllis Samiotis for co-ordinating the cooking classes. The first hands on cooking class, Phyllis Samiotis taught the ladies how to make Katoumari, and then on the second cooking class, Bev Anastasas, showed the girls how to make Strava. With the support of Evelyn Palassis, I would like to thank all those ladies, and to reiterate, they have the full support of our association. It is fantastic that the Cazzie cooking traditions will be learnt by a number of our members, therefore it won't be lost in the future.

On the 23rd of October, 2011, we will be conducting a memorial service for Louka and Anastasia Santrape. Even though it is a memorial service, it is our way of showing our respect for the contribution that he made to the island of Cazzie. Later on in the afternoon, we will be having an afternoon tea to celebrate the Santrape family, and also for the launch and distribution of our commemorative book.

Catherine Papanastasiou is organising to conduct an art and craft session at the Castellorizian House commencing in October. Once again, a fantastic idea where all the ladies have an opportunity to show their talents, and to teach other ladies. It is great that our facilities are being used by our members, which in turn is promoting our association.

Recently I travelled to Melbourne on a business trip, and while I was there, I took up the opportunity to catch up with the President and committee members of the Castellorizian Association of Melbourne. We held a number of discussions on the various issues of our associations, with the prospect of working closer together in the future to promote our traditions. I would like to thank Yvonne and her committee for the hospitality which they showed to Anna and me. I do believe a number of members from the association in Victoria will be attending our Centenary Celebrations in 2012.

I would like to congratulate Eveena and Michael Palassis (ex-committee member) on the birth of their baby girl Olivia. I wish them all the best for the future.

Just a further reminder of the AGM on October the 26th, at 7pm sharp.

CAZZIE COOKING CLASSES

Written by Helen Anastasas (nee Manifis)

On Saturday June 11th 2011 the Castellorizian Association of WA conducted its first Cazzie Cooking Class. The cooking of the traditional and favourite Cazzie sweet Katoumari was demonstrated by Phyllis Samiotis and assisted by Helen Anastasas. A very keen group of twenty two people attended the afternoon and all thoroughly enjoyed themselves kneading and rolling the dough whilst Castellorizian music was played in the background. The pleasant aroma of melted butter and cloves stirred memories of childhood days of yiayias making Katoumari. A cup of tea and Katoumari concluded the session with requests for more classes to include Cazzie and Greek recipes.

The second Cazzie Cooking Class was on the 23rd July, forty five people came along. Strava were baked and taken home by all who took part. What an eye opener for everyone present to see how skilled Bev Anastasas was in making Strava look so easy. She had prepared and planned so well for that afternoon. This was followed by Evelyn Palassis efficiently demonstrating how Strava were originally fried so a comparison could be made on the day. Bev and Evelyn willingly participated to help out and it was evident they are both very competent in making Strava and have done so for many happy family occasions.

It is so exciting and very rewarding that so much interest and enthusiasm has been shown by all and especially by the younger generation coming along with their mothers, relatives and friends. The classes have been for all age groups (females and males). Well done to the younger people attending as you are the ones that will help preserve our traditions in the future.

Classes are now well above all expectations and full. You can only register your name in case of a cancellation by contacting Helen Anastasas on 93415955 or 0421644163.

RENOVATIONS TO KALGOORLIE STREET

By Kevin Kannis

The Association's property at 15 Kalgoorlie Street has just undergone significant renovations including;

- A new kitchen
- Painting throughout
- Rewiring and replacement of some lighting
- Repairs to the laundry and bathroom
- New floor coverings
- Replacement of the gutters
- Fix up of the gardens and landscaping

There was an opportunity to do the work after the tenants vacated the property in early April with the work being completed in time for the house to be tenanted on September 3 with an increased rental.

The cost of the work to the Association was minimised as a result of contributions by Tony Samiotis and Tony Elder. The two Tonys donated their time in stripping and gutting then installing the new kitchen as well as painting the entire house.

The contributions by the two Tonys deserves the gratitude of all of us as do the efforts of Michael Paul and Catherine Papanastasiou who spent a lot of time obtaining quotes and having continuous onsite meetings with tradesmen.

The end result is the house has been restored to a state where we shouldn't need to do any significant work for some time and it remains to be a valuable asset to the Association.

TRIP TO CASTELLORIZO

By Jim Manifis

In the month of May, 2011, a contingent of Castellorizian members travelled to Castellorizo to launch the 2012 Centenary Milestone. The trip commenced in Athens, where we spent three days, followed by Rhodes for four days and then finally we arrived on the island of Castellorizo on the 19th of May.

On arrival, it was very emotional, as there were members on our trip whose visit was the first in their life, and to see the tears and emotion shown was very touching. We all stayed at the Megisti Hotel where the accommodation was first class due to its major renovations. I'd like to thank Roslyn for her hospitality during our stay, and for organising the cocktail party during our trip.

During our five day stay, various tours were taken which all the members thoroughly enjoyed. One of the tours was a day trip to Kas (Turkey), the second was to the town of Mira (Turkey), and finally a tour to the Grotto. I'd like to thank George and his wife Louise for organising the tours.

Time on the island was quite enjoyable when all the members would get together to have breakfast, lunch and dinner. We experienced a number of different restaurants, where we all enjoyed the Castellorizian food. Spending time having a coffee and a sweet for morning tea in the harbour was quite relaxing, and speaking to people walking past, whether they were locals, or overseas visitors was quite enjoyable. Professor Byron Kakulas and his wife Valerie, who were on the island as part of our group, were of great assistance in organising a number of events during our stay. I'd like to thank both of them for their hospitality, where we were all invited to their home for morning tea.

Our trip was organised to coincide with the name day of the Church of St Constantine and Helene. On the 21st of May all the visitors from Perth attended the church service, where the Bishop also acknowledged the purpose of our visit, and congratulated us on our achievement. The church was well attended by all people on the island, and the service provided by the priest and the bishop was of a high order, and it was a pleasure to be in attendance. Later in the evening, the church committee organised a function to celebrate St Constantine and Helene Church, which all our members attended. I was quite intrigued when the music commenced, it was mainly the Perth-ites who danced the night away.

A cocktail party was organised at the Megisti Hotel where all the counsellors on the island were invited, along with our members. Unfortunately the response from the locals was quite disappointing, but we were given reasons why they couldn't attend, and the main one was their work commitments, as most of them are involved in the restaurant industry. During the night we exchanged gifts. Our association presented the people of Cazzie a portrait of our St Constantine and Helene Cathedral. Stratos, the Chairman of the council of Cazzie also presented us with various gifts, one in particular was a gift box of three gold plated stamps.

In summary, the trip was very successful and I would like to thank all those that attended, as they were representing the Castellorizian Association of WA, and with their support we all promoted the Centenary Celebrations in 2012. We arrived as friends and left the island as one happy family.

TO THE EDITOR,
MEGISTI MESSENGER,

Letter to the Editor

Dear Sir,

Recently, I was with a group of people who went on a visit to Castellorizo, Greece to celebrate the island's Name Day

The trip was instigated by The President of the Castellorizian Association of WA, Mr Jim Manifis and would have required a good deal of time and organization and recognition should be extended to Jim, for the work and effort that he put into these arrangements.

I am sure, everyone thoroughly enjoyed the outings arranged daily and had a great time and I wish to thank Jim for making this trip a memorable experience.

Yours faithfully,

Despa McDonnell

MUSEUM AND RESOURCE CENTRE PROJECT

By Allan Cresswell

BACKGROUND

The Castellorizian Museum and Resource Centre Project is still in its infancy but already has identified the important need of creating an environment to record, photograph and document our cultural heritage in an acceptable format, for both present and for future generations. Initially this will be by way of a “Virtual Museum” where photographs and information obtained can be recorded for presentation on a website, a powerpoint presentation or possibly even a display booklet.

A follow up will be by creating an actual physical museum so that objects of Castellorizian cultural significance can be housed and viewed in a controlled and secure location, and with input and acceptance from specialists with expertise in Museums, Virtual Museums, Photography, Preservation and Documentation.

SUB-COMMITTEE

The Castellorizian Museum and Resource Centre sub-committee consists of Allan Cresswell (Chairperson), Stan Kailis, Elaine Palassis, Libby Pappas and Tony Samiotis.

PROGRESS TO DATE

Stan Kailis has kindly produced an extensive Strategic Plan for the Castellorizian Museum and Resource Centre of WA which identifies the objectives and resources required to implement our objectives. Two meetings have been held in which (1) the Strategic Plan has been finalized (2) Funding and Budgets have been discussed (3) Physical Resources such as a Computer, Scanner and Printer have been requested (4) Appointment with a Virtual Museum expert has been arranged and (5) a “Show and Tell” Day has been arranged and is detailed below.

MUSEUM “SHOW AND TELL” DAY

Sunday November 6th 2011

At Castellorizian House

Doors open between 10.00am and 4.00pm

Bring along your Castellorizian objects of interest such as jewellery, icons, tapestries, rugs, clothing, utensils, etc any time between 10.00am and 4.00pm to be photographed and documented for possible inclusion in our “Virtual Museum”. This is also an ideal opportunity to document and photograph your objects for insurance purposes.

BOOK – AN ISLAND IN TIME

AN ISLAND IN TIME

Castellorizo in Photographs 1890–1948

Nicholas Pappas and Nicholas Bogiatzis

'To turn the pages of this extraordinary book is to visit the island of Castellorizo in its heyday – and in the harrowing times that followed...'

AN ISLAND IN TIME, CASTELLORIZO IN PHOTOGRAPHS 1890-1948 is a chronicle of fifty dramatic years told through photographs. The images, many never before published, enable readers to experience the island's recent history by looking upon bygone generations and by entering the island's harbour and forgotten laneways. Over a thousand Castellorizians are shown, many of them the forebears of families in Australia and in other countries far from their island home.

After years researching archives and contacting families across the globe, the authors have gathered in one publication some 220 images which together document a half century of a past community and culture. Castellorizo's history, displayed through its people, places and politics, appears for the first time in striking close up, as well as in magnificent panoramas. The visual splendour of weddings, the sombre spectacle of funerals and the pleasure of social gatherings are presented against a backdrop of more momentous events that were ultimately to determine the island's harsh fate.

At the same time, the island's foreign rulers during these tumultuous years—Turks, French, Italians and British—are seen parading their pomp and splendour along the quay and around the island town. Theirs were the relatively short-lived stays that brought with them policies and hostilities that were to transform Castellorizo's 19th century grandeur into rubble in a mere fifty years.

Throughout the book, detailed captions provide useful insights into the photographs and enable a comprehensive understanding of this important period in Castellorizo's chequered history.

CAZZIE TRIBUTE

Compiled by Allan Cresswell

NICHOLAS CONSTANTINE NICHOLAS CASTELLORIZIAN OF THE YEAR 2011

Nicholas was born in Perth on September 21st 1935, the eldest son of Constantine Nicholas Nicholas and Despa (nee Papalazaros). He married Mary Sertis in 1958 and they have one son and one daughter, and three grandchildren.

Nicholas has been an active member of the Greek and Castellorizian communities all his life. He has been awarded a Life Member of the Hellenic Football Club, Life Member of the Hellenic Cricket Club, Committee Member of the Castellorizian Association of WA from 1983 to 1985, President of the Castellorizian Association of WA from 1985 to 1987, then again President from 1993 to 2003. In 1997 Nick was made Honorary Life President in recognition for his services to our Association.

Nick's community work is extensive and includes: Hellenic Youth Association, Hellenic Football Club, Hellenic Cricket Club, Hellenic Men's Softball Club (Player and Coach) and Philon Golf Club (Secretary 2002 to 2008). He joined the Hellenic Youth Association in 1951 and over the next twenty four years played cricket for the Hellenic Cricket Club (Senior Team Captain for eight years) and football with the Hellenic Football Club.

In 1987 Nick presided over and organized a week of activities to celebrate our Associations seventy fifth anniversary which included a World Conference of Castellorizian Associations, a Civic Reception, a Cocktail Evening, a Gala Dinner and Dance and a historical publication (in both Greek and English) that recorded the first seventy five years of the Castellorizian Association of WA.

He was on an organizing committee to welcome the Greek Olympic Team, who trained in Perth prior to the Sydney Olympic Games in 2000.

Nick has been Chairman of Trustees for the Castellorizian Association of WA from 2003 to 2011. From 2005 to 2008 he was joint chairman with Bartley Kakulas of the Renovations/Finance Sub Committee of our association, where over \$90,000 was raised

He is Deputy Chairman of the steering committee for the Castellorizian Centenary 2012 celebrations. Nick also helped formulate the design, production and completion of our Commemorative Book which will be launched on October 23rd 2011.

During the declining membership years of the 1990's Nick and his small committee turned the association around and paid off debts and carried out renovations so that the association could continue as it is today.

On Sunday May 22nd 2011 the annual St Constantine and Helene's Day celebrations were held at the Kastellorizian Association of Victoria Clubrooms. At this function our own Nicholas Constantine Nicholas was presented with the Castellorizian of the Year for 2011 award.

Nicholas, all your family, friends, sporting associates and our association members are so pleased that your ongoing achievements and contributions throughout so many years have been formally recognized. This award bestowed on you as 2011 Castellorizian of the Year acknowledges, documents and highlights all those remarkable achievements.
